There Is More to the Apple than Meets the Eye!

Join us at Coffee Hour after the 10am service on Sunday, January 25, for an entertaining and informative talk all about the apple. This iconic fruit touches almost every aspect of our culture. Presenter Ron Ross, and his partner Fred Kraeuter, started with 6 apple trees when they moved to Boothbay in 2012 and

now have trees representing 50 heirloom variety apples. They also coordinate a volunteer group, The Apple Corps, which manages two orchards for the Boothbay Region Land Trust.

Brett Donham Course to be offered at St. Andrew's

Brett Donham will be offering a slide lecture series on the Italian Renaissance painter, **Piero Della Francesca**, to be held in the undercroft of St. Andrews Church on 3, 10, & 17 February at 1:00 PM. Titled; **Piero Della Francesca: Painter, Mathematician, Philosopher, a True Renaissance Man** the lectures will focus on his religious paintings, including **Resurrection**, described by Aldous Huxley as "the best picture in the world". Sponsored by Coastal Community College, the lectures are free to members of St. Andrew's.

Music note for this Sunday

In celebration of the life and witness of Dr. Martin Luther King Jr., we will sing several of Dr. King's favorite hymns this Sunday, January 18 at the 10:00am service. From a sermon by Dr. King delivered at Mount Pisgah Missionary Baptist Church, Chicago, Illinois, on 27 August 1967: *"Centuries ago Jeremiah raised a question, 'Is there no balm in Gilead? Is there no physician there?' He raised it because he saw the good people suffering so often and the evil people prospering. Centuries later our slave fore-parents came along. And they too saw the injustices of life, and had nothing to look forward to morning after morning but the rawhide whip of the overseer, long rows of cotton in the sizzling heat. But they did an amazing thing. They looked back across the centuries and they took Jeremiah's question mark and straightened it into an exclamation point. And they could sing, 'There is a balm in Gilead to make the wounded whole. There is a balm in Gilead to heal the sin-sick soul.'"*

Dr. King often requested that the hymn *"Precious Lord, take my hand"* be sung at services at which he was preacher, and Mahalia Jackson sang it at his 1968 funeral. And a quote from Dr. King's speech entitled "Remaining Awake Through a Great Revolution" which was delivered at the National Cathedral in Washington, D.C. on 31 March 1968: *"We must face the sad fact that at eleven o'clock on Sunday morning when we stand to sing 'In Christ there is no East or West,' we stand in the most segregated hour of America."*

This Sunday, I'll also feature an organ piece composed by Chief Olufela Obafunmilayo "Fela" Sowande MBE. Sowande was a Nigerian musician and composer who is considered the father of modern Nigerian art music, and is perhaps the most internationally known African composer of works in the European classical idiom. -Sean Fleming

Winter Weather

In case of icy or snowy weather, please check your email or the church phone message (563-3533) for any service changes due to the weather.

Carpooling

"The Earth Keepers are reminding us that as snow accumulates, car pooling to church is a wise practice. Let's have lower emissions and fewer cars competing for space. Some of us would appreciate not having to navigate a snowbank or walking a distance on slippery ground. Some of us no longer drive but would like to get to church. There's a car pooling sign up at the rear of the church. Or call someone you know who would appreciate your friendly transportation on Sunday morning."
