Welcome to St. Andrew's Weekly E-mail Newsletter. In an effort to keep the congregation better informed we will be sending out this newsletter on Thursdays to cover events happening at the church through the following Wednesday. We hope you find it useful.

Online resources for Lenten practices from the Earth Keepers

Are you looking for daily practices or meditations this Lenten season? Here are a couple of suggestions from the Earth Keepers:

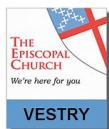

Episcopal Relief and Development <https://www.episcopalrelief.org/church-in-action/lent/> has daily meditations for you to use. They are written by Sister Monica Claire, an Episcopal nun and TikTok star.

World Council of Churches <https://www.oikoumene.org/events/global-systemic-carbon-fast-a-faith-rooted-journey-through-lent> is encouraging all to take a carbon fast, praying, reflecting and acting to address our humanity's carbon footprint. You can find the details on the website.

United Thank Offering <https://unitedthankoffering.com/Lent/> is using the book The Serviceberry by Robin Wall Kimmerer as a guide for their theme of Gratitude and Reciprocity.

Coffee Hour update

Please sign up for coffee hour in March and April! There are lots of opportunities to host Coffee Hour in the coming months. Hosts are responsible for set-up, keeping the coffee and tea water topped up, and clean-up. Members of the congregation are encouraged to bring sweet or savoury nibbles as the spirit moves them. If you would like to sign up to host, please put your name on the clipboard in the Undercroft or contact Sara Sandberg through the church office.

Winter Weather

In case of icy or snowy weather, please check your email or the church phone message (563-3533) for any service changes due to the weather.

Carpooling

"The Earth Keepers are reminding us that as snow accumulates, car pooling to church is a wise practice. Let's have lower emissions and fewer cars competing for space. Some of us would appreciate not having to navigate a snowbank or walking a distance on slippery ground. Some of us no longer drive but would like to get to church. There's a car pooling sign up at the rear of the church. Or call someone you know who would appreciate your friendly transportation on Sunday morning."

The benefit this past weekend at St. Patrick's Church generated \$8,100 with more donations still coming in and 61 tickets sold, for CHIP and the Ecumenical Council for Homeless Prevention. Sean Fleming, the Oyster Creek Fiddlers and the choir of Water of Life Church all performed and the silent auction generated nearly \$2,000. The organizers hope to repeat this fundraising event next October in advance of the 2027 heating season. Thanks to all who participated in this major fundraiser for addressing heating needs in Lincoln County.
