### **Guest Preacher on Sunday, May 31: The Rev. Martha Kirkpatrick**

Rev. Martha Kirkpatrick will give the sermons at 8:00 am and 10:00 am on Sunday May 31 and will be preaching on the memory and example of Frances Perkins at a time of grave concern about climate change. The anniversary of France's Perkins death in 1965 is May 14. Martha is a former parishioner of St. Andrew's who served as Commissioner of Maine's Department of Environmental Protection during the King Administration prior to her ordination. She also served on the boards of Maine Audubon and Interfaith Power and Light. She retired from the diocese of Delaware where she held the position of Canon to the Ordinary for vitality and renewal and served as a parish priest as she had as well in Maine at St. Margaret's in Belfast. May 31 will be a kind of homecoming for Martha where many parishioners remember her advocacy and energy on behalf of environmental justice.

-Sponsored by St. Andrew's Earth Keepers.

### **Corner Garden Group**

Monday, June 1, 10am-12pm, we gather at St Andrews for our first garden event of the season. Bring your garden tools, a beverage. Please join us for a morning of fun, exercise, sharing, as we reorganize, prepare our plans for the spring/summer season.

The gardens are in good condition, weeds need attention, maybe some cleanup, pruning.

Looking forward to being with you all after a long hard winter here in Maine.

This is a very informal group, just drop by at your leisure. We welcome new members.

### **Note about the music for Sunday, May 31 at 10:00am**

The prelude and fugue which I will play on May 31 is often included in a set of eight "little" preludes and fugues. These pieces have been often attributed to Johann Sebastian Bach, but recent scholarship indicates that the pieces may actually have been composed by one of Bach's students; perhaps Johann Tobias Krebs or his son Johann Ludwig Krebs.

The eight preludes and fugues may have been composed for pedal clavichord or pedal harpsichord; the rolling of chords notated in a couple of the preludes are often used on the harpsichord and clavichord but are not often notated for the organ. -Sean Fleming

### **Diaper Drive – Mother's Day (May 10) – Father's Day (June 21)**

The Ecumenical Diaper Bank is in its eleventh year and has distributed tens of thousands of diapers to help babies in low income households remain clean, dry, and healthy. It still a completely volunteer organization and all of the collected funds are used for diapers, pull-ups, and the paper bags they are distributed in. Diapers are distributed through the Ecumenical Food Pantry in Newcastle and the Waldoboro Clothes Closet.

In 2025, close to 15,000 diapers were distributed. Again this year, especially due to the fact that government programs like SNAP do not pay for diapers and wipes, the need for diaper aid in our community remains high. Our biggest need is for **funds** to purchase in bulk, larger diapers (size 3 and up) and pull-ups. If you are interested in donating to help support the diaper bank, checks can be made out to "Damariscotta Baptist Church" with "diapers" on the memo line. You may bring the check to church

and put it in the plate or drop it by the office. If you wish to mail your check directly, you may send it to St. Andrew's Church or to Midcoast Friends Meeting at PO Box 714, Damariscotta, 04543.

Donations can also be brought to any of our supporting churches: Damariscotta Baptist Church, Midcoast Unitarian Universalist Fellowship, Midcoast Friends Meeting, St. Andrew's Episcopal Church, St. Patrick's Catholic Church, Second Congregational Church, Twin Villages Baptist Church, and Water of Life Lutheran Church.

Thank you for your support.

### Reconstruction in the office and undercroft

The Undercroft continues to be closed for gatherings and meetings. The kitchen and restrooms are accessible but please use caution when going to and from these areas. The inconvenience is a necessary part of the recovery process. We look forward to returning to normalcy soon. Thank you for your patience as the work progresses.

### Coffee Hour update

Please sign up for coffee hour in June and beyond! There are lots of opportunities to host Coffee Hour in the coming months. Hosts are responsible for set-up, keeping the coffee and tea water topped up, and clean-up. Members of the congregation are encouraged to bring sweet or savoury nibbles as the spirit moves them. If you would like to sign up to host, please put your name on the clipboard in the Atrium or contact Sara Sandberg through the church office.

### Holy Women, Holy Men Tikhon Bishop and Ecumenist

On almost every day of the year, the Episcopal Church honors faithful followers of Jesus who went before us. Every Wednesday at St. Andrew's during our Healing Eucharist, we remember one of more of these Holy Men and Women. We take time to remember these people for three important reasons. First, they deserve to be remembered. The people chosen for our calendar are remembered because they were particularly remarkable followers of Jesus. The second reason we remember them is because in remembering we are connected to Christians throughout time. And last but not least, we remember them because in remembering we can learn how to be better followers of Jesus in our day and time.

This week we remember Tikhon. Please click [here](#) to learn more about him.

### Shape Note singing at Sabbathday Lake in New Gloucester, Maine - All are welcome

Please join us on Saturday, [June 6, from 1-4:30pm](#) to sing in the historic Shaker Meetinghouse at Sabbathday Lake in New Gloucester, Maine. This Shape Note singing is a free, participatory event, not a performance. You are warmly welcome to come and sing or come and listen for as much or as little of the afternoon as you wish. No experience is necessary and beginners are beloved! We will be singing from *The Sacred Harp*, 2025 edition and books will be available for loan or purchase. In the event of rain, we will sing in the Winter Chapel inside the brick Dwelling House.

Sabbathday Lake Shaker Village is the only active Shaker Community and they have offered us this great opportunity to sing in a wonderful building. This is a space that was built for singing. Some have even called it the "Holy Grail" of singing spaces. If you would like to make a day of it, you can bring a picnic lunch and enjoy it on the grounds or come earlier to take a museum tour or visit their gift shop. For more info about the Sabbathday Lake Shaker Village check out their website: [www.maineshakers.com](http://www.maineshakers.com) If you have any questions about this event or about Shape Note Singing, please contact Sara Sandberg through the church office.
