Welcome to St. Andrew's Weekly E-mail Newsletter. In an effort to keep the congregation better informed we will be sending out this newsletter on Thursdays to cover events happening at the church through the following Wednesday. We hope you find it useful.

In-person, outdoor Sunday service at noon at St. Andrew's

Our last two outdoor, in-person services have been very successful and all have been very happy to be together in person. This service of Holy Eucharist will continue at 12:00pm every Sunday in the month of May (weather permitting). It will be held on the church grounds and will be livestreamed as well. It will replace the 8am livestreamed service for the month of May.

No sign up is required, please bring chairs as you are able, masks must be worn and social distancing maintained. There will be no tent so please check your email for cancellation notification if the weather is bad or call the church

and listen for an updated message. If the outdoor service is cancelled, you may watch the livestreamed indoor service on facebook or later on youtube.

Please note: Governor Mills has lifted the mask mandate for vaccinated people who are outdoors, unless they are in a crowded setting. A worship service is a crowded setting, so if you are attending outside worship this Sunday please wear a mask, even if you are vaccinated.

If you are planning on attending the outdoor service on Sunday:

- The Congregation will be seated in the parking area by the church.
- Please bring chairs if you are able as we only have 35
- Please walk down to the parking area via the driveway, not the stairs. Ushers will be available for assistance.
- There will be designated handicap parking spots on either side of the driveway entrance.
- Please sign in and make sure you are wearing a mask. See you there!
